

Aloe Heat Lotion

Description and Purpose

After a long active day, we can all enjoy a soothing massage. Now you need stretch no further than a tube of Aloe Heat Lotion.

This rich emollient lotion contains deep-heating agents to make it the ideal massage companion for tired muscles and dry skin. Aloe Heat Lotion is a pH-balanced, lubricating lotion designed for a soothing, relaxing massage. The deep penetrating power of aloe vera will help your muscles and skin after the stresses of the working day. Especially good after sports or hard workouts.

At a glance...

- A warming agent to soothe away the strains of the day
- An ideal massage lotion
- Soothing relief after a workout, sports or heavy exercise

Ingredients
